Assistant Technical Director
Allegheny College
Meadville, Pennsylvania

Allegheny College, a Carnegie I national liberal arts institution founded in 1815, seeks an experienced, safety-minded candidate for the position of Assistant Technical Director in our highly collaborative Department of Communication Arts and Theatre, beginning Fall semester 2012. This is a full-time staff position reporting to the Technical Director.

Duties include analysis and implementation of design drawings, task-level management/mentoring, tool and system maintenance, and the creation of technical drawings and other documentation. Qualified candidates should have a B.A. or B.F.A. in theatre and 3+ years of professional-level experience in either scenic construction & rigging and/or lighting & sound technology, and should be prepared to use those skills to manage production crews of undergraduate student employees through our 4-show season. Proficiency in Vectorworks is highly desired. Ability to work from ladders and personnel lifts is required. Compensation will be an hourly wage commensurate with experience, and includes a generous package of health and retirement benefits.

Allegheny College is located in Northwest Pennsylvania, north of Pittsburgh. Its picturesque location is ideal for outdoor recreation, with eight freshwater lakes, ski areas and recreational opportunities all within easy reach. Allegheny is a college of 2,100 that attracts students with unusual combinations of interests and talents.

Please submit a letter of application, resume, and provide contact information for three references to the Office of Human Resources, Allegheny College, 520 N. Main Street, Meadville, PA 16335 or to hr@allegheny.edu. Review of applications will begin immediately and will continue until the position is filled.
